- Dr. Tariq Bashir *(Acting) Dean, Faculty of Engineering & Architecture*
- Dr. Nudrat Aamir *Dean, Student Affairs*
- Dr. Khalid Rehman *Associate Dean, Graduate Studies*

Degree Programs

Bachelors

- Accounting & Finance
 - Artificial Intelligence
 - Architecture
 - Biotechnology
 - Civil Engineering
 - Civil Technology
 - Computer Engineering
 - Computer Science
 - Doctor of Pharmacy
 - Doctor of Physical Therapy
 - Electrical Engineering
 - English
 - Mechanical Engineering
 - Management Sciences
 - Software Engineering
 - Medical Lab Technology
 - Dental Technology
 - Radiology Technology
 - BS Psychology
- BS Anesthesia Technology*
- BS Robotics & AI*
- BS Business Analytics*
- BS Tourism & Hospitality Mgt*
- BS Data Science*

Masters

- Architecture
- Biotechnology
- Civil Engineering
- Civil Technology
- Computer Science
- Electrical Engineering
- Engineering Management
- Management Sciences
- Mechanical Engineering
- Mathematics
- Software Engineering
- Pharmacy
- Project Management
- *MS in Supply Chain Management*
- *MS in Nursing (MSN)*
- *MPhil in English*
- *M Arch (General Research Track)*

Doctoral

- Biotechnology
- Civil Engineering
- Computer Science
- Electrical Engineering
- Management Sciences
- Pharmacy

Public–Private Partnership (PPP) Program

First Batch (Completed)

This cohort stands among the **pioneer groups in Pakistan** to attain a structured and accredited diploma in PPP, an achievement that marks a significant milestone for both the province and the participating professionals

The program was designed and delivered by the **Centre of Excellence in Executive Development (CEED)** at **CECOS University**

Industry - Academia Join Hands

CECOS University and Pearl Securities (Pvt) Limited

A live stock trading screen for Business Management students.
The first initiative of its kind in Khyber Pakhtunkhwa and a pioneering development sets a new benchmark for experiential learning in Finance and Business Education across the province.

A model of effective industry–academia collaboration, designed to bridge the gap between theoretical learning and real-world practice.

CECOS: Moments in Focus

A day of pride and celebration for our graduates! The Convocation 2024, held at Shiraz Arena, was graced by our esteemed Chief Guest Prof. Dr. M. Qasim Jan (Former Minister of Higher Education), who congratulated the students on their remarkable achievements and inspired them toward a bright future. Degrees, gold medals, and awards made the day truly memorable. We were proud of our students, Their parents and faculty for making this success possible.
